### 3. ELPAC & Reclassification Information

- California state law requires all schools to administer the English language proficiency assessment for California (ELPAC) exam to all English Language Learners who have not yet reclassified.
- The ELPAC is used to identify and monitor EL students' progress toward English language proficiency. EL students continue to take the Summative ELPAC annually until they meet the reclassification criteria.
- Reclassification categorizes an EL student as a native English speaker. A student who has strong first language proficiency is now considered bilingual.
  - Reclassification Criteria:ELPAC Overall score- level 4
  - Level 3 or 4 in Writing & Oral Domains
  - 5 English Credits Completed by NOV 1.
  - Grade of "C" minimum on English credits.
  - NWEA score of 207 or above.

- Vista Real will be implementing the Targeted Assistance Program this school year. In the 2022-2023 school year we will move to a Schoolwide Program.
- Although schools are eligible for Title 1 funding based on low income, the selection process for providing Title 1 Services to targeted students is based entirely on academic achievement.

#### 5. LCAP Supplement Information

- Background Info-New Senate and Assembly Bills amended California Ed Code to require revisions to the Local Control and Accountability Plan (LCAP)
- Section 124 of AB 130 requires the State Board of Education (SBE) to adopt a one-time supplement template.
- What this means for schools:
  - For LEAs that receive a Concentration grant, the formula was adjusted so that eligible LEAs receive a 15% increase in Concentration funding only
  - That expands the concentration funding from 50% per pupil to 65% per pupil for LEAs with a 55% or greater enrollment of unduplicated students.
  - The additional 15% concentration grant funds must be used to increase the number of certificated staff and/or classified staff (including custodial staff) who provide direct services to pupils on school campuses.
- What this means for students and families:
  - Schools must consult with parents and family members of children receiving services to gather feedback and input on how the school funds are being spent.
  - Parent/Guardian Involvement Activities for SY 21-22
    - Parent Information Nights
    - Senior Parent Nights
    - PAC - Parent Advisory Committee Meetings
