Under AB 361, boards that would like to continue to meet remotely must determine by majority vote whether, as a result of the state of emergency, meeting in person would present imminent risks to the health or safety of attendees. Mr. Martineau directed the board members to the resolution located in their packet and recommended the board approve the Resolution Continuing Board of Directors' Authority to Hold Virtual or Teleconference Meetings Pursuant to Assembly Bill 361.

Board President Lawrence announced the public hearing opened at 4:10 p.m.

Corrine Manley informed the board that on June 30, 2022, Governor Newsom signed Assembly Bill 181, which is the state budget trailer bill. In addition to the various fiscal items contained

in the state bill, AB 181 requires the school to revise the school's personalized learning policies. Ms. Manley then directed the board to the redlined Revised Personalized Learning Policy included in their board packet and reviewed the following changes:

1. Removes language concerning the academic content required of independent study instruction.
2. Streamlines the procedures that trigger tiered reengagement strategies for students.
3. Recognizes the revised definition of "synchronous instruction," which permits a teacher or teachers of record to provide the instruction.
4. Adds the special education teacher as a required signatory to the student master agreement, as applicable.
5. Removes outdated language that only applied for the 2021-22 school year.
6. And finally, adds language recommended by our auditor which recognizes that a Special Education Specialist will sign a Master Agreement addendum should a student be identified for special education services after they are enrolled in our school.

Corrine Manley expressed that the school is pleased with these changes and finds them helpful with the mission to ensure all students are engaged and on-track to graduate. Ms. Manley then asked if the board or any members of the public have any questions or comments on the revised Personalized Learning Policy.

Board President Lawrence asked if there were any members of the public who wished to offer public comment or if anyone submitted a written comment.
